Total (inc GST): **\$1,974.94**

GST Portion: **\$0.00**

Terms and Conditions of Purchase

- All orders must be placed online.
- NINTEK reserves the right to cancel and refund any order at any time at NINTEK's discretion.
- Changes made to any order after the order's payment has been processed may incur a fee of \$15 including GST.
- Where possible stock will be allocated against an order prior to payment processing.
- Property and ownership in the goods will not pass to the customer until the full payment of the purchase price of the goods and all other amounts owing to NINTEK by the customer have been received by NINTEK.
- The customer must ensure that an authorised signatory is present at the provided shipping address during business hours to accept delivery of the goods.
- Operating any product outside the manufacturer's documented specifications will void your warranty. This includes but is not limited to over clocking, incorrect voltage and other hardware modifications.
- Failure to follow standard installation and operating instructions, or failure to ensure adequate cooling will void your warranty.
- Physical damage to items including, but not limited to, scratches, cracking or markings may void your warranty.
- Warranty is applicable for hardware, media and consumables only. Warranty is not applicable to software, including but not limited to BIOS, firmware and operating systems.
- Warranty is 12 months return to base (Nedlands, Western Australia) on all goods, unless otherwise stated. NINTEK reserves the right to redirect your warranty request directly to the manufacturer or its authorised repair or service agent.
- A fee of \$50 inc GST will be incurred by the customer for return to base warranty issues where no fault with hardware purchased from NINTEK is found.
- On-site warranty is only valid within 35kms of the Perth GPO.
- Goods damaged in transit are only applicable for replacement or repair up to seven days from the date the goods were received.
- Placing an order online is a legally binding contract for supply of the goods.
- NINTEK is under no obligation to ensure compatibility between components. It is up to the customer to first research and confirm that a part will be compatible and suitable for their application prior to purchase.
- NINTEK will not be held liable for any damages or losses caused by compatibility issues.
- The above stated terms and conditions are a summarised form of the full Terms and Conditions. A full copy of the terms and

conditions is available on the NINTEK website.
